

H1N1 Swine Flu Information

"EPA believes, based on available scientific information, that the currently registered Influenza A virus products will be effective against the 2009-H1N1 flu strain and other influenza A virus strains on hard, non-porous surfaces."*

CitriFoam[®] has a claim for Influenza A3 (Hong Kong)

Since the above item contains Influenza A virus claims, it complies with EPA's belief it is effective against the 2009-H1N1 flu strain.
